

Career Exploration Research Paper – Part II

Mission: Exploration Reflection

Introduction Sentence: What were your initial thoughts of the expo?

Details:

- Which industry, of the four represented, did you find the most interesting? Why?
- Which industry did you learn the most about while at the career expo? Explain.
- Did you participate in any of the hands-on demonstrations? Why/Why not? Did any of the demonstrations make you more interested in the industry, or not? Explain with details.
- What didn't you like about the career expo and what improvements would you recommend for any future events like this?

Introductory Sentence: Which career will you be choosing?

Details:

- Today, you named which career academy you would be most interested in. What was your choice based on what we have learned so far?
- How do you feel that your career interests agree with the academy choices that are offered both at the expo and at TCHS?
- How did your experience with the expo influence your decision for an Academy choice? Explain.
- Which career would you like to spend the remainder of the semester researching?
