Personal Timeline Assignment

Construct a chronological timeline of 10 events that shaped who you are as a person. Events that are deemed historically important may have one or more of the following characteristics:

- o Significant impact on those involved (at the time they were happening and/or in the future)
- o Change perspective/attitudes
- o Change relationships
- o Well remembered
- o Affect feelings/emotions in a lasting way

1) You may complete this on paper or in Google Drive (slides or doc). Your timeline will begin with your birth. Add **9** more events to the timeline. Looking back, what has been the most memorable things that have happened to you?

2) For **4** of the events you listed, explain why this event was significant in your personal history.

-use 2-3 sentences of explanation

-each explanation should

a) describe the event

b) describe how the event shaped who you've become

Your teacher will show you an example in class.
