### Soundtrack for My Future

**Directions:** Write down five events or goals you want to accomplish for your future. Use the ones you included in the last two slides of your Collage assignment. For each event, you are going to explain why it is important to you and how it will change your life. Also, include how you plan to accomplish this goal. Then, you are going to choose a song for each event and describe how this song will inspire you to work toward your future self.
